

Dear River Enthusiasts,

In concert with the 20th anniversary year of World Rivers Day, I wanted you to know that Mark Angelo's anticipated new book, ***River Magic: Tales From a Life on 1000 Rivers*** ([River Magic Promo Sheet](#)), is now available. In this collection of short stories, Angelo, an acclaimed paddler and river conservationist who has paddled more rivers than perhaps anyone on Earth, recounts a selection of his encounters with amazing animals, big fish, unique cultures, and wild rivers. Through these personal tales, readers are taken on a global adventure that highlights the awe-inspiring beauty and fragility of our waterways.

The book is captivating, with a conservation underpinning, enabling readers of all ages to better appreciate the value and magic of rivers along with the need to better care for them. It's structured to appeal not only to those already passionate about waterways but also to those with an interest in adventure, travel, or nature who are just beginning to discover the magic and allure of rivers.

River Magic is released through Hancock House Publishers as part of our 20th anniversary and can be **purchased from all quality bookstores, online, and directly from the publisher at hancockhouse.com** ([River Magic: Tales From a Life on 1000 Rivers - Hancock House – Hancock House Publishers](#))

Thank you for your efforts on behalf of rivers, and we'll stay in touch as we move toward **World Rivers Day 2025, set for September 28**. [Please let us know of your plans!](#)

Best wishes,
Tunde Murphy, WRD Communications Manager
